

## Fundraiser walk

Family Hospice and Palliative Care in Mt. Lebanon held its second annual Memorial River Walk at the South Side Works and Three Rivers Heritage Trail. More than 500 walkers took part in the fundraiser, which called to mind loved ones who have died. WTAE-TV anchor Andrew Stockey served as event emcee. Proceeds from the walk benefit Family Hospice patients and family programs and services. The non-profit serves nine counties in Western Pennsylvania. Stockey is shown with Family Hospice Vice President of Development Maureen Haggarty and Riley.
