## Veteran's Day Service Honors Residents who served

About 30 Baptist homes residents were honored during a Veteran's Day service held November 11, 2011 in the Baptist Homes Chapel. State Representative Matt Smith presented certificates to the veterans with the help of Korean War Veterans. The service included a Color Guard, residents performing patriotic songs, and a bugle performance of "Taps."

Baptist Homes Society chaplain Reverend **John Reynolds** organized the event with the help of sponsors Laughlin Memorial Chapel and Family Hospice.
