## Family Hospice's New Inpatient Unit Accepting Patients

The Center for Compassionate Care Canterbury, Family Hospice and Palliative Care's new inpatient unit, began accepting patients on Monday Feb. 27. Located on the campus of Canterbury Place, a UPMC Senior Community in Lawrenceville, the inpatient unit has a full Family Hospice staff and operates under Family Hospice's license. The Center for Compassionate Care Canterbury has 14 private patient rooms, a gathering room, kitchen and dining area for families, and picturesque views of the City of Pittsburgh. Unit Manager Megan King, RN (pictured lower left) and her staff provide CompassionateCare for patients and their loved ones alike.
