Family Hospice and Palliative Care Announces New Hire

Erin O'Donnell

Erin O'Donnell, LPC, NCC, has joined Family Hospice and Palliative Care as a full-time Bereavement Specialist. In her role, O'Donnell conducts individual and group bereavement support sessions for those coping with the loss of a loved one; and facilitates anticipatory grief support to children and families of those under Family Hospice care.

She is active in the planning and presentation of Camp Healing Hearts, an annual one-day summer bereavement camp for kids 6-12, and is instrumental in Family Hospice's memorial services, held several times each year for families and friends of those who have passed away.

Prior to Family Hospice, O'Donnell was employed as a Mental Health Therapist/Case Manager with Three Rivers Youth's Hub Outreach Center, serving homeless youth aged

18-21.

O'Donnell earned her undergraduate degree at Westminster College and her Master's in Professional Counseling from Carlow University. She resides in Pittsburgh.
