FAMILY HOSPICE & PALLIATIVE CARE

As the leading not-for-profit hospice in Western Pennsylvania and the third largest provider in the state, Family Hospice and Palliative Care has been providing comfort care to patients with life-limiting illness and their families for more than 30 years. Family Hospice and Palliative Care's services are available 24/7, and come in a variety of settings, including private homes, personal care and nursing homes, hospitals, and inpatient units at the Center for Compassionate Care in Mt. Lebanon, and The Center for Compassionate Care/Canterbury in Lawrenceville. The organization offers a team approach to care and serve people of all ages and walks of life.

AT A GLANCE

Accredited palliative care physicians.
Specialized programs for Veterans, heart failure and dementia
The first comprehensive Caregiver Training program in the region.
American Hospital Association Circle of Life award winner for innovative programming.

Since 2001, the organization has been accredited by The Joint Commission, an independent, national quality accreditation agency.
Five locations, serving an average of 3,600 patients in nine Western Pennsylvania counties.
Contracts are in place

to provide care within 70 skilled nursing facilities and 25 hospitals.
Camp Healing Hearts — a series of special day camps for bereaved children — is offered free each summer.
An active corps of more than 450 trained volunteers helps with patients, families, office work, and fundraising.

Whirl's March 2012 issue included a Senior Living Guide. This featured both a Family Hospice half-page ad and Family Hospice editorial content.

"I was originally introduced to Family Hospice when my mother suffered a heart attack in 2010. They were there every moment I needed them — and treated us like family. Family Hospice staff went above and beyond to comfort my family; and the compassion and care they showed to my mother was absolutely heartwarming." Sandie Carioto, family member of a Family Hospice patient
