### FAMILY HOSPICE AND PALLIATIVE CARE MEMORIAL WALK

Family Hospice & Palliative Care supporters lit up the night at the Annual Memorial Walk. Held at SouthSide Works and Three Rivers Heritage Trail, approximately 300 guests walked along a luminary path in celebration and memory of the lives of their loved ones, emceed by WHIRL's Editor in Chief Christine McMahon Tumpson. The night included a brief memorial service — "The staff took turns reading the names of loved ones and the second part was a live dove release," says Greg Jena, Manager of Marketing and Public Relations. The Memorial Walk raised \$33,000 for Family Hospice Patient and Family Services and Programs.
