Family Hospice and Palliative Care Announces Tenth Annual “Holiday Memorial Tree” Campaign

A simple fundraising appeal that began a decade ago has become a cherished local holiday tradition.

Family Hospice and Palliative Care is launching its 10th annual “Holiday Memorial Tree” campaign, which honors the memories of loved ones who have died, on seasonal trees at seven local malls. For a suggested donation of \$20, a loved one’s name is inscribed on a tag placed around the neck of white doves that adorn the trees. At least 15 trees will be on display between November 15 – December 26, at the following local shopping malls: The Galleria, Century III Mall, Ross Park Mall, Monroeville Mall, The Mall at Robinson, Clearview Mall and Shenango Valley Mall. Doves are considered a symbol of those who are deeply missed.

Proceeds from the Holiday Memorial Tree campaign benefit thousands of families here in Western Pennsylvania who annually receive compassionate care, regardless of their ability to pay.

To purchase a dove, contact Family Hospice and Palliative Care’s Development office at 412-572-8812. More information and order forms may be found at www.familyhospice.com (click on Make a Gift / Holiday Memorial Trees). Donors are able to choose at which mall their doves will be displayed.
